

Namosi Joint Venture  
PO Box 14862  
Suva,  
18<sup>th</sup> of January, 2013

Dear Madam,

**RE: Namosi Joint Venture Education Assistance**

My name is Leone Tauleka and I was awarded the Namosi Joint Venture Education Assistance last year. I am writing to you in thanking the Namosi Joint Venture for the financial assistance it provided me which enabled me to complete my postgraduate studies.

Furthermore, with the financial turmoil engulfing the world today the Namosi Joint Venture has become a beacon of hope for the children of Namosi and the Tikina Waidina of Naitasiri in providing them the financial assistance to undertake and complete their education. It also helps them to realize their dreams can become a reality in finding their career paths.

For this year I have registered for the Masters program in Land Management and once again I humbly request if I could be assisted by the company. With the assistance you have given I have not only completed one of my goals but realize that I could be an asset to the people of Namosi.

I wish the Namosi Joint Venture all the success in its business endeavors.

Yours Sincerely,  
Leone Tauleka
