23<sup>rd</sup> November, 2012.

The Camp Manager,  
Namosi Joint Venture,  
Wasea Camp.

Dear Sir, RE: Acknowledgement for transportation  
Services Provided.

I Elisabeta Roela, District Nurse,  
Waivaka Nursing Station, wish to convey my  
sincere gratitude to your good company for the  
wonderful transportation service provided to me  
yesterday which enables me to see a sick  
boy in Saliadravi and take him down to  
Nauva.

I am thankful that with that same  
transport I was able to bring my stores  
up to Waivaka and again bring <sup>sick baby</sup> ~~a case~~  
down from Navuniasitu to Waivaka.

I believe that without the provision of  
your company's transport, <sup>my</sup> work would have been  
very difficult, especially - emergency cases. I  
would also like to thank the driver for his  
patience and support.

Yours faithfully,  
Elisabeta Roela.
