**Re: Letter of Appreciation**

Dear Sir/Madam

I Selina manumanuwaqa Nariva a student at the University of the south Pacific and also a continuing student of the NJV scholarship would like to take this opportunity to thank the company and the staff for your generous support for the last two years in assisting my education and also for approving to pay for my left over fees for the 2<sup>nd</sup> semester 2014.

Furthermore I'm really lost for words because I know without NJV support I wouldn't able to make it this far at the University of the South Pacific. Therefore for once again I would like to thank the company and hopefully you would still continue to sponsor my education this semester 2015 despite all the challenges your company went through with the Namosi landowners I hope you will continue your support towards our education.

Once again thank you very much and Vinaka saka vakalevu

Yours faithfully
